

Country Commons Newsletter--August 2023

FLOOD NEWS: We are very grateful that there is no major flooding in the Vergennes area. Other parts of Vermont were not so fortunate. Community support for the victims of this event is still needed. One way to help is to donate to the Vermont Community Foundation,--Vt Flood Response and Recovery Fund, the Red Cross of Northern NE, or to the Vermont Foodbank. There are many more options.

KUDOS CORNER: Thanks to those who are tending the compost bins in the center area. They are looking better and better! It's a big job – if you are interested in helping, please contact the COA Board. And roofing is completed on Building 2, thanks to Galen Helms Construction.

GROUNDS CREW: The Grounds Crew committee walkabout was delayed until later in the summer, due to the heat, but planning is continuing on grounds maintenance issues, as well as to what to do with the brush pile. In the meantime, thank you to everyone for not putting more brush in the center area.

NOTES from the BOARD: We passed the storm water permit inspection--some amount of work. And we are talking about forming a playground committee. Talk to a board member about it.

RECYCLING/TRASH TIPS: When recycling paper bags, which is mandatory, remove twine and plastic handles. No plastic-lined, animal food, or kitty litter bags. If recycling shredded paper, place in clear plastic bag and tie. Do not include shredded plastic. More information is on the CC Website.

REMINDERS: 10 MPH on driveways. Adherence to the limit makes our community safer! Remember to check the [CC Website](#) for association rules and regulations, meeting minutes, etc. Here are other important addresses: To comment or add to the Newsletter:

Countrycommonsnewsletter@gmail.com.

To contact the COA board: Directors@Countrycommonscondo.com.

The CC Website is:

countrycommonscondo.com

SAVE THE DATE: Our Annual meeting is scheduled for Saturday, Sept. 30th. Time TBA.

NOTE: There are 3 board positions to vote on. All positions except for president and treasurer are for one year. If you would like to run, or run again, think about presenting your platform—will be included in the Sept. NL.

It seems the summer is going by quickly! Be safe, be well, and enjoy the rest of summer,
The NL committee
